

# Waterford NY Democratic Committee

## Special Message: July 15, 2025

---

**[You are invited to a Virtual Town Hall with  
Assemblymember John T. McDonald](#)**

**John McDonald Town Hall on Wednesday Evening!**

**The Waterford Democratic Committee's Zoom Town Hall with John T. McDonald III Is set for tomorrow evening, Wednesday, July 16. The event will begin promptly at 6:30pm, so please be ready to join to join the meeting to hear John has to say about how our State Government will manage the Trump Regime's assault on the Middle-class and Poor.**

John has been integrally involved with health care and human services his entire life. His experience and leadership in multiple Assembly Committees that will directly deal with the Republican budget make him well-positioned and highly qualified to share information with his constituents in the 108th District ***AND with New Yorkers anywhere in the state. All are welcome!***

**[If you have not yet registered for this event, please do so by Clicking Here!](#)**

(Pre-registration is required)

John has been integrally involved with health care and human services his entire life. His experience and leadership in multiple Assembly Committees that will directly deal with the Republican budget make John

one of the most well-positioned and highly qualified legislators in New York to share information with his constituents in the 108th District ***AND with New Yorkers anywhere in the state. All are welcome!***

**What Do YOU want to ask John McDonald?**

**There is a space for questions in the registration form linked to this page. Or if you have already registered and think of an important question later, you can submit your questions to**

**[McDonald@waterfordnydemocrats.com](mailto:McDonald@waterfordnydemocrats.com)**

As a sample of what other people have asked, some of the questions submitted include the following:

- When and with what agencies and services will the budget cuts begin?
- How will services like rural hospitals, nursing homes, and subsidized housing be affected?
- What will happen to my Medicare and Social Security?
- What is the NYS doing to keep the same level of Medicaid we currently have?
- What is being done to protect our communities from ICE?
- Will cuts in federal funding affect my children's student loans for college study?
- How can we help pass and implement a single-payer insurance plan for New York?

Please add your own question when you register!

**This Town Hall is hosted by the Waterford NY Democratic Committee, but is relevant and open to ALL NEW YORKERS**
